2018 Annual VT Autism Conference
Sponsored by the Virginia Tech Autism Clinic and Center for Autism Research

Autism Service Access for All: Empowering Rural Communities

Friday, March 23, 2018  8:00 AM - 5:00 PM
Hyatt Place University City Blvd., Blacksburg, VA 24060

Join us for the 6th annual VTAC and VTCAR conference. Hear the latest developments & updates in autism research for educators, clinicians, researchers, and families. Refreshments and lunch provided.

NEW THIS YEAR: Workshops regarding the IEP process, Medicaid Waivers, and Financial Planning for Special Needs Children.

Featuring Keynote Speaker:
Dr. Diana Robins,
Drexel University
On Early Screening for ASD in Toddlers

The Rural Expert Panel will bring in research and community health professionals from Michigan State, University of Kentucky, University of Kansas, West Virginia University, Virginia Tech, the Health Wagon of southwest Virginia, Mount Rogers Community Services Board, and Roanoke's St. Vincent's Home.

Registrants: $35 donation to support VT autism services and research
Exhibitors: $50 donation/ table. Limited space available.
